### What excites you most about what God is doing at Bethel Baptist Church?

What excites me the most is the spiritual growth I've seen in the members at Bethel. People are stepping up and doing what they have been called to do. More and more people are getting involved as opportunities arise. We have seen a surge of people joining teams and serving the Lord. That tells me that the Lord is truly moving in the lives of people at Bethel.

### Why do you feel like you are the best fit for this position?

I am the best fit for this position because I have come to the realization that Youth is my passion. This is what God has called me to do and to be. Teaching and leading Youth truly fills a void in my life that I didn't know I had. God has given me clarity in knowing His plan for my life, and teaching Youth about Jesus is part of that plan.

### What's one skill or strength you bring to the team?

Optimism. I have an optimistic view of life that I maintain even in the face of challenges and hardships. With this optimism, I need to have a lot of patience. So, being a patient person as well.

### My Goal in Youth Ministry:

Teach our young people about the sacrifice made for them to have eternal life with Jesus, and how they're to live for and reflect Him in their daily lives. I pray they will put their trust in Jesus, rely on Jesus and know how to effectively share Jesus (the Gospel).

### What's one thing most people don't know about you?

I am a Master at checkers and super competitive. Just don't ask me to play Yahtzee, I can't roll doubles to save my life.
