Life Verse:
Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?

What excites you most about what God is doing at Bethel Baptist Church?

We are growing in general, but I am particularly excited about the number of kids who consistently attend each Sunday.

Why do you feel like you are the best fit for this position?

As a public school teacher, I can love my students like Jesus would, but in this position, I would get to help our children at Bethel learn how to be disciples and live out their faith wherever the Lord leads them.

What's one skill or strength you bring to the team?

I am organized, and classroom routines and procedures are second nature.

My Goal in Kids Ministry:

Create a safe, joyful, and Christ-centered environment where children are introduced to Jesus, grow in their faith, and experience God's love. I aim to partner with parents, equip leaders, and nurture kids to become lifelong disciples who know, love, and follow Jesus.

What's one thing most people don't know about you?

I get very nervous in front of large groups of adults.
