**Hometown:** Sumter, SC

**Current Employer:**

Clarendon County

**Title:**

**Education:**

Associate's Degree  
in Paralegal Services

**Life Verse:**

### **My goal in this position:**

To work alongside our Pastors, Deacons, and ministries to ensure our Next Gen — Kids and Youth — are fully aligned with our church's discipleship strategy. Our goal is to raise up disciples who impact their circles, their community, and the world, as we grow and go for the glory of God!

### **What excites you most about what God is doing at Bethel Baptist Church?**

We have experienced significant growth in our Next Gen ministries (Kids and Youth) over the last few years. Praise the Lord!

### **Why do you feel like you are the best fit for this position?**

I see the needs as my husband and I serve and my children participate. What I've realized is someone has to be responsible for overseeing all the behind-the-scenes details and "own" these ministries. We need to ensure we have paid leaders in place so our families are cared for and disciplined well. I have essentially been in this position for over 10 years as a volunteer, working alongside our pastors and teams. I'm honored to be a candidate and play a part in the team God is bringing together. The vision and these positions are a Kingdom investment.

### **What's one skill or strength you bring to the team?**

It is something that I enjoy doing. I love working with kids and youth, and I enjoy planning and organizing events for them.

### **What's one thing most people don't know about you?**

I've been lovingly referred to as **Bethel 4-1-1**. They've said, "If you want to know something, just ask Becky!"
